Round table regarding the International Year of Evaluation

Sarajevo, 19 December 2014 years. Parliamentary Assembly of Bosnia and Herzegovina

Evaluation society in Bosnia and Herzegovina in Sarajevo today organized a round table titled "2015. International year of Evaluations". Today's round table was realized in cooperation with USAID, organized on the occasion of the proclamation of 2015, the year of the evaluation by the United Nations.

At the round table next to representatives from USAID and UN Bosnia and Herzegovina, was also attended by representatives of NGOs, governmental institutions and the academic community.

The round table concluded that the association of Evaluator's in BiH will work on promotions of the objectives of the Third International Conference of National evaluation organizations, held in Sao Paulo on 29. September 2013. Through the instruments of evaluation is going to improve the lives of people through better planning of public policy.

Association of Evaluator's in BiH will continue its activities to enhance the transparency and availability of statistical data through the intensification of cooperation with academic and research community, civil society and within all Government institutions in Bosnia and Herzegovina.

Association of Evaluator's in BiH will continue to work on promoting character development theory and practice of evaluation in public spaces and institutions of the system in Bosnia and Herzegovina.
